ing-bottom:12px;padding-top:0px"><div><div><div><di

v><div><div><div>One of the main ways that we work out how

to calculate a percentage of a number is by converting the percentage to a decim

al first. In order to do this, we find 1% of the number by dividing

it by 100%. Once we've done that, we multiply our answer by the

value of the percentage we're looking for.</div></div></div&
