The game takes place in about the same setting as Call of Duty: Modern Warfare 3 and features many elements of gameplay typical to the series, including the usage of iron sights, vehicular missions, and online play.[2] It is the last Call of Duty game to be rated T for Teen by the ESRB. It is also the last Call of Duty game to be released on the Nintendo DS.</p></div><div data-bbox="80 548 942 887" data-label="Text"><p></p><p>The game features the very similar first-person shooter gameplay found in its predecessors. However, the lower screen status display has been updated with new functions including the ability to draw a knife without first moving into melee range of an opponent.</p><p>The final part of the game takes place in Baltimore, where the National Guard and SFGS reclaim Baltimore/Washington International Thurgood Marshall Airport taken by the Russian forces, and fight through the Baltimore seaport and learn that the Russians have moved a WMD into the U.S., and are moving the weapon to a combat zone. The teams race through the port, fighting their way aboard a cargo ship where the Russians are offloading the weapon. The National Guard team makes it to the deck of the cargo vessel just as a Russian Hind helicopter carrying the weapon takes off. The teams manage to bring down the helicopter with an RPG, and the game ends as the player's C.O. states, "Now the real fight begins", referring to World War III in Modern Warfare 3.</p></div><div data-bbox="80 884 937 963" data-label="Text"><p></p><p>Reception [ edit ]</p><p>Reception Aggregate score Aggregator Score Metacritic 57/100[3] Review scores Publication Score Nintendo World Report 6/10[5] Official Nintendo Magazine 70%[4]</p></div><div data-bbox="80 960 917 1000" data-label="Text"><p></p><p>Our tasty collection of Papa's games, which can now be played without flash, is filled with the most exciting management</p></div>
