&lt;p&gt;&lt;/p&gt;&lt;p&gt;The game takes place 30 years after the events of th  
e previous game, and the player must monitor the attraction&#39;s security camer  
as and audio systems to keep an eye on the animatronics, who have been possessed  
by the spirits of the children who were murdered at the original restaurant. Th  
e player must survive five nights and prevent the animatronics from reaching the  
office and killing them.&lt;/p&gt;

&lt;p&gt;One of the main features of FNAF 3 is the addition of a new animatronic  
, Springtrap, who is the only physical threat to the player. The player must use  
audio devices and a ventilation system to lure Springtrap away from their locat  
ion and prevent him from reaching them.&lt;/p&gt;

&lt;p&gt;The game also introduces a new gameplay mechanic in the form of a mini-  
game called &quot;Fazbear&#39;s Fright: The Horror Attraction&quot;, which the p  
layer can access through hidden areas of the attraction. In this mini-game, the  
player must guide a child through a maze of rooms and avoid being caught by a sh  
adowy figure.&lt;/p&gt;

&lt;p&gt;FNAF 3 builds upon the horror and suspense of the previous games in the  
series, while introducing new gameplay elements and a compelling storyline that  
will keep players on the edge of their seats.&lt;/p&gt;
