Subway Surfers is an immensely popular endless runner game where you have to run away from the grumpy inspector through which trains pass continuously at full speed. You play as Jake, who surfs the subways and tries to escape from the grumpy inspector and his dog. Jake needs to dodge obstacles in time so as not to slow down and continue to run away from his pursuer. Not only will you have to run to the end, but your adventures in Subway Surfers are aimed at collecting coins and completing missions to keep increasing your score, because they directly affect the number of points received. Furthermore, coins that you have collected can be used to unlock different characters and upgrade your hoverboards. Among other things, you can collect various boosters, which are flying backpacks, hoverboards, magnets and much more. To extend these games, you will use the different power-ups and special gear scattered around the setting to help you in various ways: jump higher, take to the skies at high speed, or automatically collect coins from any lane. The game will end when the surfer is caught by a guard or crashes into one of the obstacles on the level, like trains or columns. But don't worry. You'll start running again in a new and exciting game with a tap on the screen. Don't forget to complete the awards, since they give you keys. In MyTour you can collect rewards from completing daily Word Hunts. Special events, such as the Season Hunt, can result in in-game rewards.
