Microsoft Gaming boss Phil Spencer has announced a deal with Sony to keep Call Of Duty on PlayStation consoles, following Microsoft's acquisition of CO D publisher Activision Blizzard last year. The announcement, posted by Spencer on Twitter, marks the latest chapter in a long-running territorial war for some of gaming's biggest IPs between the two biggest platform holders in the industry.

In this instance at least, a truce has been called - not only is the bombastic shooter franchise going to be available on both Xbox and PlayStation consoles, a Verge report confirms that the deal is good for 10 years. Advertisement - Page continues below The saga kicked off back in 2024 when Microsoft acquired Zenimax Media, the company that owns Bethesda, id Software and Arkane. That means massive franchises like The Elder Scrolls and Doom now ultimately fall under Microsoft ownership, along with marquee new titles like Starfield and... well, the less said about Redfall the better, but it was certainly intended as such. Microsoft capitalised on that merger by making Starfield an Xbox-exclusive title, to no small amount of ire among PlayStation devotees.
