Storm Land is in danger. Monsters are flooding into

this land and aiming to take over it. Its fate is in your hands. It's up

to you to protect the peace of Storm Land. Here at Friv online, you have

only one tower to defend this land. You have to do everything that you need

to do to protect it. So, the tower is placed in the center of the battle

field and there is a circle around the tower. Monsters approach your tower

from all directions and once they enter the circle, your tower will auto-attack

the nearest one. Your ultimate goal here is to defeat as many waves

of monsters as possible. Your enemies become stronger with each wave.

Furthermore, their movement speed increases as well while you have a single shot.

To deal with them, you have to upgrade your tower in terms of attack,

defense, and HP. Break a leg and challenge yourself in other fun Friv

10 tower defense games such as Run Evil Defenders and Tower Defense Super Heroe

s. Here at Friv action, you can earn gold coins from daily rewards, missions,

and killing enemies and get silver coins from killing zombies. Gold coins

are used to unlock new abilities of your tower while silver coins are

used to upgrade those abilities like increasing the tower's attack range,

attack damage, attack speed, critical chance, critical damage, and HP as well

as reducing damage and so on. The game offers 5 different worlds and now,

3 worlds are available. You have to kill all monsters in the current

world to move to the next one and it's not easy to finish the mission. If your

tower is destroyed, you have to start from the beginning. Which games

are similar to this game? - Medieval Defense Z - Ninja Defender - King

Bird Tower Defense - Zombie Idle Defense Online - Super Tower War Instructions:

Use MOUSE to play the game.
