If you happen to lose, just restart the game and play again!

Fall Poker has the same rules as Texas Holdem. Texas Holdem is a game of both chance and skill. The object of the game is to eliminate all opponents at the table by taking their money. Beat Holdem by betting on hands that you feel are good, and folding when you don't feel confident. That said, there are a number of different strategies to adopt while playing this poker game. Sometimes, you can win a round by betting as if your hand is much better than it actually is. This is called "bluffing", an
