<p></p><p>The game takes place 30 years after the events of th

e previous game, and the player must monitor the attraction's security camer

as and audio systems to keep an eye on the animatronics, who have been possessed

by the spirits of the children who were murdered at the original restaurant. Th

e player must survive five nights and prevent the animatronics from reaching the

office and killing them.</p>

<p>One of the main features of FNAF 3 is the addition of a new animatronic

, Springtrap, who is the only physical threat to the player. The player must use

audio devices and a ventilation system to lure Springtrap away from their locat

ion and prevent him from reaching them.</p>

<p>The game also introduces a new gameplay mechanic in the form of a mini-

game called "Fazbear's Fright: The Horror Attraction", which the p

layer can access through hidden areas of the attraction. In this mini-game, the

player must guide a child through a maze of rooms and avoid being caught by a sh

adowy figure </p>
