&lt;p&gt;2009 video game&lt;/p&gt;

&lt;p&gt;Call of Duty: Modern Warfare 2 is a 2009 first-person shooter game developed by Infinity Ward and published &#128477; by Activision. It is the sixth installment in the Call of Duty series and the direct sequel to Call of &#128477;

Duty 4: Modern Warfare. It was released worldwide on November 10, 2009, for Windows, PlayStation 3, and Xbox 360. A &#128477; separate version for the Nintendo DS, titled Modern Warfare: Mobilized, was also released on the same day. A version for &#128477; OS X was developed by Aspyr and released in May 2014, and the Xbox 360 version was made backward compatible &#128477; for the Xbox One in 2024.&lt;/p&gt;

&lt;p&gt;The game&#39;s campaign follows Task Force 141, a multinational special forces unit commanded by Captain &#128477; Soap MacTavish as they hunt Vladimir Makarov, leader of the Russian Ultranationalist party, and United States Army Rangers from the &#128477; 1st Ranger Battalion who are defending the Washington, D.C. area from a Russian invasion. The game&#39;s main playable characters are &#128477; Sergeant Gary &quot;Roach&quot; Sanderson, of the 141, and Private James Ramirez, of the Army Rangers, with Captain MacTavish becoming playable &#128477; later in the campaign. The multiplayer mode was expanded upon from the previous game, with several new features and modes.&lt;/p&gt;

&lt;p&gt;Development &#128477; for the game began in 2008, when it was still known as Call of Duty 6. It uses the IW &#128477; 4.0 engine, an improved version of Call of Duty 4&#39;s IW 3.0. Infinity Ward was inspired by real-life conflicts when &#128477; developing the campaign mode. They initially tested the multiplayer mode by playing an in-house beta version of the game. Modern &#128477; Warfare 2 was officially announced in February 2009. Teasing of the game began in March, with short trailers being released &#128477; for the game and, eventually, a full reveal trailer. The multiplayer mode was revealed shortly after. Two downloadable content packs &#128477; were released for it post-release, each containing five new multiplayer maps, with some being remastered maps from Call of Duty &#128477; 4.&lt;/p&gt;

&lt;p&gt;Modern Warfare 2 received universal acclaim, with praise for its campaign, multiplayer, and amount of content, although it received some &#128477; criticism for its short length and a lack of innovation. Within 24 hours of release, the game sold approximately 4.7 &#128477; million copies in North America and the United Kingdom ending as the best-selling video game in 2009 in the USA. &#128477; As of 2013, the game had sold 22.7 million copies becoming one of the best-selling PlayStation 3 video games and &#128477; best-selling Xbox 360 video
