<p>Minecraft Classic is an online version of the famous open-world sandbox
building game. It is a remake of the original Minecraft and was released for it
s 10th anniversary by the developer Mojang. In the game, players can build in cr
eative mode using 32 available blocks. The game has a multiplayer feature so you
can play with up to 8 friends.</p>
<p>History</p>
<p>Minecraft was first released to the public on 17 May 2009. Today it is
published in the exact state of its initial release. This means that there are o
nly 32 blocks that you can build with, and all the original bugs are in there! S
o if you are used to the latest version, it can be quite a shock to see how the
game has evolved. To quote Tom Stone from Mojang "With just 32 blocks to bu
ild with, all the original bugs, and an (inter)face only a mother could love, Mi
necraft 2009 is even more glorious than we remembered!"</p>
