our AviaTOR game tricks. Also remember that casino games are designed in such a way as to ensure an advantage for the house. This is done by having the casino control the game's outcome. For example, in roulette, the casino controls the ball's path and the wheel's speed. In blackjack, the casino controls the dealer's actions. In slot machines, the casino controls the random number generator. In all cases, the casino has a built-in advantage.

The solution is that the campaign has not yet been downloaded YET - it's technically installed as a separate install and, once you have the Campaign pack, the history mode is playable.
