<p></p><p>Browser games were extremely popular two decades ago but gradually became less relevant over the years. Today s gaming market is👄 dominated by mobile games, but new HTML5 titles still appear on a regular basis, and people love to return to👄 some of the classics they used to p lay in the golden era of browser gaming, thus saying that browser games👄 are dead wouldn t be exactly accurate.</p>
<p>The main appeal of browser games is the accessibility there s no inst allation needed and👄 you can access the game from any device online, as long as it s connected to the internet and supports modern👄 internet bro wser.</p>
<p>Browser games are usually relatively short, taking anything from betwee n 5 to 60 minutes to fully complete, making them👄 a perfect choice when you re short on time and still want to experience some new games.</p>
<p>The horror genre seems to👄 be working surprisingly well in such a formula, so here s a list of some of the best browser horror games👄 f or you to try.</p>
<p>The House Series</p>
