<p></p><p>Quick Gun is a shooting game where practice makes pe
rfect! Armed with a simple handgun, you run across an ever-changing space statio
n. As you do so, target dummies will pop up all around you. It's up to you t
o be fast enough to shoot these dummies before you run past them. The better the
shot, the more points you'll get for shooting the target. Making headshots
or crack shots will give you more points than a regular shot. Every dummy you sh
oot will also give you more time, so you can keep your run going. With the point
s you get, you can upgrade your gun! You can make it reload and shoot faster and
customise its looks! Prove that you're a real gunslinger with lightning-fas
t reflexes and get the highest score in Quick Gun!</p>
