Call of Duty Black Ops 1. It is also developed by Treyarch and was published through Activision. It was released on 9 November 2010. You can also download Call of Duty Advanced Warfare which is latest release in series. It is 7th game in the famous shooting game series. And it is also the first of its kind in this series as it is based on Cold War. It has got the same game play as its predecessor games had. You are controlling a soldier who can use many weapons and throw grenades in the battle field. The player can move by three different positions: Standing, Crouching and prone. Each of these positions has different effects on the accuracy and movement of the player. It has also got multi player mode in which two different teams have some specific missions. And it also has Flag capture game mode. A zombie mode is also present in this game. With some great visuals and hardcore bullet action you have to check this out. You can download Call of Duty Black Ops 2 here.
