

b#244;nus casas de apostas

Snake.io is generally considered safe for kids to use, as it does not have any explicit or inappropriate content. However, it does feature in-app purchases and advertisements, which can be a source of frustration for some players.

Snake.io - Bark : app-overview : snake-io

bark.us : app-overview : snake-io

Snake.io is filled with bots, especially if you're playing on a browser. You can tell with browsers because the game pauses when you click out of the window. However, this doesn't work with mobile since it's consistently running. This makes me assume you're more likely to run into players on a phone.

Is Snake.io filled with bots? And please don't answer as Slither.io ...
