For the film director, see Michel Gondry
Michael Condrey is the co-founder and former studio head of Sledgehammer Games, which he founded with Glen Schofield after their collaboration on the popular video game franchise Dead Space. He is now the president of 31st Union, a 2K studio located in Silicon Valley, California.^{[1][2]}
Career [edit]
Condrey graduated in 1997 from the University of Washington. The following year, his senior thesis on applying biotechnology to conservation biology was published in the Molecular Ecology. After working as a scuba diving instructor and boat captain in the Cayman Islands, he began work on a graduate degree in Seattle. It was there that he launched his game development career, beginning with a summer job at Electronic Arts (EA) during the peak of Seattle's gaming explosion. Condrey later relocated to Redwood City at the EA-owned studio Visceral Games, where he became studio chief operations officer, as well as senior development director on the 2008 title Dead Space. He also worked on three other successful EA franchises: Need for Speed, FIFA and the James Bond game series.^{[2][3]}
