I t was a revolutionary toy for that time because 💸 you could have to wig gle its ears, move its tail, and wink with one of the toy's eyes. There were 💸 made even baby pony figurines of the Beautiful Baby and the My Prett y Pony series that continued with two new 💸 colors which are pink and y ellow.</p> <p>The story of the pink, red, yellow, or green ponies started to become e ven more 💸 popular in 1998, when there was the very first My Little Pon y game: Friendship Gardens game was released, in which 💸 there were fou r ponies that needed help to grow and take care of a full-on garden. You have to plant 💸 near the house a lot of plants - vegetables or fruit - that wi If help the ponies to eat when 💸 they are hungry, so the game is import ant to keep the pony that you love to survive day after day. 💸 Using the e mouse, you would have clicked on a patch of land, and you started to plow it, making the 💸 land perfect to plant seeds, water them, give them sun, ta ke care of them if they have pests, and be 💸 sure that you will manage to harvest them when they are ready, and so all the cute ponies will have ԁ 84; healthy fresh food to eat.</p> <p>Between 2003 and 2009, the main story the started to be even more popul ar, and even 💸 though most of you had at least one toy or puppet with t he cute ponies, they are already the third 💸 generation that came out o f the factory, and they started to be more popular than ever because it's a new 💸 series of toys in which Twilight Sparkle, Rainbow Dash, Applejack , Pinkie Pie, Fluttershy, Rarity, Princess Luna, Princess Celestia or Apple  8184; Bloom are going to be even cuter than before, and so the TV show started to hit the world, and 💸 the girls loved the show, and so they started t
