Geometry Dash Online is a free side-scrolling platformer played in sync with musical rhythms. Groove your way over and under obstacles to keep the musical momentum alive. If you slip up, it's back to the beginning!

How to Play

The square moves by itself in Geometry Dash. All you have to do is click to jump when necessary and use up/down to steer vehicles. The way you dodge obstacles is often in sync with the beat, so make sure your sound is on and enjoy the experience!

As you move through the levels, there are different sections with cool new tunes, colors, and abilities that require extra attention. It's a superb musical journey!
