Dragon Simulator 3D is a simulation game where you can be a dragon. The goal of the game is to complete the missions of dragons across the level and to collect stars. Once you have enough stars your dragon will upgrade to the next level and become stronger and faster. The missions in this game are really fun to play and they really improve your dragon skills. Fly over the mountains and soar down the peaks to get the feeling of actually flying.

How to play:

Dragons are not easy to control:

Move around - WASD

Spit fire - LMB

Our fashion games collection is designed for fashion

istas and makeup-savvy players. You'll have plenty of clothing, hair, and makeup

options from which to choose, giving you thousands of different results.

Choose a beautiful model, and dress them from head to toe in the

clothes of your choice! Our levels put you in the chair of a fashion designer,

giving you all of the opportunities that professional designers have.

Dress up a stunning model in high-end clothing, and send them down the

runway!

In our fashion games, you can turn a model into a superstar with just a

click of the mouse. Scroll through tons of shirts, skirts, dresses,

and heels, and pick out only what you like. Try on several different outfits

within seconds! After you've designed a pretty outfit, re-design your model's

hair, give her new color, and start choosing accessories. Pick

out dazzling earrings, put a bow in her hair, and really make them shine! In our

fashion collection, you can dress up all types of models, from professional

ssionals to everyday people.
