The first four Silent Hill games are all uniquely u

nnerving; these titles gave survival horror fans a more psychological

l alternative to Resident Evil's more visceral terrors.

Each Silent Hill game transforms trauma into monstrous physical manifestations, which is

arguably most effective in Silent Hill 2.

ivdivdivdivIt is a movie about a mother who dies with her daughter

ter and gets trapped in a ghost town, Silent Hill. She goes looking for her daughter

and meets some monsters on the way. There is one scene where a main enemy from

the games rips the skin off of a woman, killing her. Definitely

not for kids.
