What Are Arcade Games?

Arcade Games is a category where there are very simple but extremely exciting games that will be interesting for players of all ages and genders. Here you will perform a variety of tasks, jumping on platforms, running different distances, collecting artifacts, and just doing interesting tasks. We

Single-player

The single-player campaign takes place 3 years after the previous entry and focuses on the new conflict in which Task Force 141 is involved. When an American general is killed during the missile attack, the world stands on a brink of global conflict. That's when Task Force 141 is called to prevent further escalation and take control of the situation. But naturally, it's not that simple and the players will have to face many adversaries, among which are the terrorist organization Al-Qatala and the drug cartel Las Alamas. CoD MW2 has the kind of action-packed story that will keep you on your toes and make sure you're not bored for a second.

Multiplayer

In addition to an excellent story, mode players can also expect a narrative-driven co-op Special Ops missions that will require good coordination to complete.

On top of that, Call of Duty Modern Warfare II features fan-favorite competitive multiplayer that will allow players to clash against each other in bloody and fast-paced battles that require tactical thinking, cooperation and good aim!
