About Lego Games  
The history of Lego Games is as fascinating as the  
limitless constructions that can be built with these colorful bricks.

It all began with  
an ordinary carpenter named Ole Kirk Christiansen, who founded the Leg  
o company  
inspired by his passion for creation. From its humble beginnings, Lego

has grown into a  
Cooperative action puzzle game  
for 2-8 players!  
At most levels, different gimmicks will appear as you move forward, and you will need to consult with your peers and think about new ways to cooperate.
