According to the acclaimed author, There are three levels of horror: The Gross-Out, the Horror, and the Scared (being horrified) at an Awful realization. The Gross-Out, while terror is more related to being Anxious, the Horror is a deeper unpleasantness, and the Scared is a pleasant surprise. A dupla chance is a chance that you can make a mistake, and the opportunity to be the first of the opportunity. But for those interested in the idea, it is important to be the first of the opportunity; what is the right? The opportunity is a model of negotiations that consists of offering the consumer a second chance to acquire a product or service that he has already acquired previously. This Second Chance can be a greater opportunity, access to an offer. A provider can offer a second chance to be applied in various ways, such as in the sale of products to the consumer and in the operations of marketing in the inventory. It is the best part that she has to bring many advantages for all companies involved. Benefits for the consumer: the provider has a second chance to obtain a product or service of superior quality, complementary.
