

bug

spanhola, isso significa inseto, mas aqui voc#234; usaria apenas inseto se quiser se r a um bug. 40 Termos de g#237;rias / , porto-riquenhas que sangraram nossas mentes - espanhol

s (muito informal)duzir

The Exorcist (1973) BT /F1

screenings shaking and crying and unsure of what they'd just seen. The demonic possession tale was so terrifying for Seventies audiences that fainting and vomiting was widespread.
