[Kobe Bryant Mamba Mentality Quotes to Live By](#)

On failure, you know what failure feels like, determination chases success. When we are saying this cannot be accomplished, this cannot be done, then we are short-changing ourselves. My brain, it cannot process failure. It will not process failure.

Once you know what failure feels like, determination chases success. When we are saying this cannot be accomplished, this cannot be done, then we are short-changing ourselves. My brain, it cannot process failure. It will not process failure.
