Misland is an idle/management game that lets you transform a deserted island into a thriving paradise! Starting from harvesting apples from trees with your bare hand, you can upgrade your skills and tools one by one! The island is full of resources and waiting to be discovered. By trading resources with the boat, your wealth will grow. Once you have sufficient resources, you'll have a team of helpers to tend to tasks like apple harvesting, tree chopping, and stone quarrying! Beware of invading monsters attempting to steal your resources; you'll need to wield your sword to protect your island. Are you prepared to oversee the entire island's transformation?
