<p></p><p>Cuphead Games is here to satisfy all you Cuphead-hea
ds out there since we know that there are plenty of you, as this original indie
run-and-gun video game that dropped in 2024 was a massive hit in that year, and
its popularity only became bigger down the road, which is how in 2024 we get the
expansion called The Delicious Last Course, as well as the Netflix animated ser
ies based on it called The Cuphead Show!</p>
<p>Now, of course, as it would be expected, fan-made games for browsers ha
ve also appeared in this time, and we are happy to say that we're sharing wi
th you here the best of them since we know that you have a keen interest in chec
king them out, and we would never disappoint you with our content!</p>
<p>Enter the world of Cuphead: Don't Deal with The Devil!</p>
<p>The game revolves around Cuphead, the title character, who is a cup cam
e to life, but if played in two players, he is joined in his adventures by his b
rother, Mugman, a mug came to life, of course. They and their world is animated
to resemble older animations, especially those made by Walt Disney in his early
days, giving the series an old-school charm, a friendly look, while the story ca
n be quite scary and mature at times.</p>
<p>Why? Well, as the alternative title of the game suggests, the two broth
ers have made a deal with the devil, which is why you help them through the run-
and-gun levels and boss fights, having to win and advance to repay their debt. A
fter the four worlds are finished, their bosses defeated, you finally fight off
against the Devil himself, the final antagonist.</p>
