in everyday life and that's what Poly Bridge does. This concise puzzle game challenges you to build functional and stable bridges over a variety of gaps. It's a 2D affair where you're tasked to come up with a solution based on the information you see and the resources you have. There's no telling whether your design works until after you test it out. If you mess up, you can try as many times as you want and then aim to get a
