Short Life is the next new 2024 game that our super hard-working team has decided to give to you today because our marathon of super fun and of course interesting games is still not over and we are happy that so many of you have decided to return to us because these games are really super fun and we too enjoyed playing them a lot, so let's talk about this next game that we presented you that comes from the Poki Games category, a super interesting category, and you have to know the instructions exactly to know what to do. Well, you will have a lot of levels in this game, and in the center of attention as the main character, you will have a man you apparently need your help.

He needs to get to the finish line so to say on every level

but the tracks are very difficult and you will have a lot of dangers and obstacles

in your way, so you have to be very careful because this is not just a game, it is like this man has been kidnapped and now you have the

chance to help him escape if you avoid and pass all the obstacles.

Good luck!
