This movie has too much violence and gore. This is definitely not for kids and especially when their brain is still developing.

Its not particularity good, but it does its job in keeping you in an pleasant viewing as well as showing some very disturbing stuff - this movie is not for children, that is for sure. Overall, "Terrifier" is not bad horror movie overall. Its very disturbing, but its not a gore fest (i) Tj T\* BT /F1 12
