Ringworm, also known as tinea, is a fungal infection that can affect various parts of the body such as the scalp, body, feet, and nails. It is characterized by red, itchy, and scaly patches on the skin.

Clotrimazole works by killing the fungus that causes ringworm. It is available in various forms, including creams, lotions, and solutions. When using clotrimazole for ringworm, it is important to follow the instructions carefully and apply it to the affected area regularly for the recommended period of time.

While clotrimazole can be effective in treating ringworm, it is important to note that it may not work for everyone. In some cases, ringworm may require prescription-strength medication or a combination of medications for effective treatment.

If you suspect that you have ringworm, it is important to consult a healthcare professional for an accurate diagnosis and treatment plan. They can help determine the underlying cause of your symptoms and recommend the most effective course of treatment.

In summary, clotrimazole can be a good option for treating ringworm, but it is not a one-size-fits-all solution. It is important to consult a healthcare professional for an accurate diagnosis and treatment plan.

At Kizi, you will find a huge selection of free online games! There's lots of online gaming content available, but not all of it is suited for children. The content might not be sufficiently child-friendly, or the level of difficulty may simply be a little bit too high for kids to enjoy. This page contains a selection of children games that are suitable for younger kids to play. We've cute games featuring dinosaurs and zoo animals, and we offer a fun selection of coloring games. On this page, you will also find educational puzzle games such as jigsaw puzzles and spot-the-differences. Or how about our collection of amazing games featuring popular characters from children's TV shows and animated movies? Have a browse and find the right games to keep your kids entertained.

A huge collection of free games for kids to play at different levels.

A lot of our games for kids feature the option to select a difficulty level that is suited to the player. For instance, in our jigsaw puzzle games this allows you to set the number of puzzle pieces to play with. In our picture matching games, you can use the difficulty settings to select the number of cards. This way, you can make sure the level of play is
