<p></p><p>About game «Age Of War»</p>

<p></p>

<p>Well, to be honest, the name of the newest Age of War game, whose main objectives 💳 are to defend your own kingdom and vanquish the opposition , is very lame. Let's attempt to explain our reasoning. The 💳 answe r is straightforward: after beginning the battle, we got so engrossed in it that we spent an hour or so 💳 working to solve the puzzle. What drew us in so strongly that it was challenging to leave. The first is 💳 enjoyable since it introduces you to amusing characters who are struggling to survive. The second is that we gradually moved 💳 into the era of knights after the battles of primitive people with the aid of everyday weapons like sticks and &#1 28179; riders on dinosaurs, then there was the era of musketeers, the era of co mmon warriors with machine guns, the era 💳 of tanks, and the final era - space warriors!</p>

<p></p>

<p>You have a set amount of money at your disposal, which you 💳 c an employ to build a sizable or merely numerical army. Additionally, there will be three different sorts of soldiers in 💳 every era save the last two, and four to five in the latter two. Tanks and super warriors will be 💳 present in the latter.</p>
