Penguins Slide is a captivating online game that will test your attention and ingenuity. This browser-based game introduces you to the amazing birds of the far north - the penguins. The game presents you with pictures of these birds, which are then divided into squares. Your task is to use your mouse to move these puzzle pieces around the game board until the original image of the penguins is revealed.

Multiplayer in MW3 is the only place where there are some options for split-screen, but it's not available in every multiplayer mode. Namely, Ground War, Free-for-All, and Invasions modes in multiplayer don't have split-screen available, but the rest of the modes include it.
