div class="hwc kCrYT" style="padding-bottom: 12px; padding-top: 0px;">CNG is more cost-effective than gasoline and diesel because it will save you money on vehicle maintenance. CNG doesn't contain lead, doesn't dilute or contaminate oil, and doesn't react to other metals, which will help to prolong the life of your engines.

CNG is more cost-effective than gasoline and diesel because it will save you money on vehicle maintenance. CNG doesn't contain lead, doesn't dilute or contaminate oil, and doesn't react to other metals, which will help to prolong the life of your engines.

CNG doesn't contain lead, doesn't dilute or contaminate oil, and doesn't react to other metals, which will help to prolong the life of your engines.
