Call of Duty Warzone is free, and they're both dramatically popular. Firstly, the game is free to play, and it's available on multiple platforms. The game is set in a dystopian future where a global conflict has led to the creation of a new, free-to-play battle royale game, Warzone 2.0. This game is built on the same technology that's powering Modern Warfare 2, so although it's built on the same technology that's powering MW2, you won't need to purchase that full-price release to get access to it.

Can you play Warzone 2 without Modern Warfare 2. As confirmed when Modern Warfare 2 was originally announced, Warzone 2.0 is the new, free-to-play battle royale Warzone, so although it's built on the same technology that's powering MW2, you won't need to purchase that full-price release to get access to it.
