Tonight it's very clear as we're both lying here there's so many

things I wanna say I will always love you I would never leave you alone

Sometimes I just forget say things I might regret it breaks my heart to see you

crying I don't wanna lose you I could never make it alone I am a man

who will fight for your honor I'll be the hero you're dreaming

of we'll live forever knowing together that we did it all for the glory of

love you'll keep me standing tall you'll help me through it all

I'm always strong when you're beside me I have always needed you I could never

make it alone I am a man who will fight for your honor I'll be

the hero you've been dreaming of we'll live forever knowing together that

we did it all for the glory of love just like a knight in shining armor

From a long time ago just in time I will save the day take you to my castle

far away I am a man who will fight for your honor I'll be the hero that

you're dreaming of we gonna live forever knowing together that we did

it all for the glory of love we'll live forever knowing together that

we did it all for the glory of love we did it all for love we did it all for

love we did it all for love we did it all for love
