<p>It s a really good game it s fun to play and entertaining I like this g
ame because you couldn t make 💯 sure the sound and there s no sound wit
hout loading up your device or 11 get down so get down so 💯 it s a real
ly good game it s fun to play and it really entertaining I like this game becaus
e you can 💯 make sure the sound and there s no sound without increasing
up your device or lowing it so what I would 💯 like to say is that they
should get quite a bit of an upgrade and stop telling you to continuously €
175; get something because during the run because you d be focusing on your hig
h score instead of something else as it s 💯 really distracting and take
s up a lot of your time during the run as in addition I would like to 💯
say that there is quite a couple of good things about this because you can watc
h an advert if you 💯 wanted to you to get the daily rewards are really
rewarding and you can get a lot of keys which 💯 would help you speed up
one thing I do not like about this game is how the speed goes up 💯 as
you run fast I guess that s all the cons and all the pros Plus there s a lot of
kind 💯 of thing you d get five of something and you get is money and in
the money the randomising money thing 💯 is that you didn t after 10,00
0 coins right but usually it is 1000 coins and below which is kind of 💯
really random because it s frustrating as I m trying to get a lot of money whic
h would help if you d allowed 💯 us to get a lot of money in a certain t
ime not just 1100 or 200</p>
