If your order is shipped via Regular Mail, the deliv

ery will be made by the local Postal services in your area.

The methods and timeframes for delivery vary from country to country, b

ut usually they will make up to two delivery attempts before leaving

a card and holding your parcel at the local postal office.

The card will state the date and time they tried to deliver

the parcel, the address and business hours of the postal office where your parce

l is being held, the date it will be available for pick-up and someti

mes a reference code.

In some occasions a redelivery can still be arranged with th

em or, if this is not possible, you will have to pick up the parcel at

the designated postal office. Usually they will hold the parcel for up to two

weeks after which the parcel will be returned to the Rewards Store or

disposed of.
