Welcome to the Pok Evolution - The world created by clicker & for clickers! In this idle evolutionary simulator, you can discover life in a very simple way. Just tap to control the evolving process. Evolution has never been so easy. By combining two same bio-identical monsters, you get a new, more advanced creature, thus passing the path from the simplest monster to the glorious ruler of the planet, and start your way to explore the Milkyway.

The Fire of light can evolve to Lighting that travels across the sky or Robots that transcend the life cycle of organic animals. The Water of origin can transform the mystical Darkness of the deep abyss or Snow creature adapting to cold life in the polar regions.

Study each path separately to discover them & find what suits you! And don't forget to conquer the other planet. In conditions other than on Earth, life can take completely new forms. It's up to you to decide which evolution path to take. Can you open the whole evolutionary collection?
