Initially, it's important to remember that this game is regulated by the Malta Gaming Authority, which means you can play with confidence, knowing that the game is fair and secure. And the best part is that you can play it for as little as 0.40 credits per spin!

But that's not all, my friend. The game also offers four free spins rounds, giving you plenty of opportunities to win big! And when I say big, I mean it: the game's jackpot is a whopping 500,000 coins!

Now, I know you're probably itching to give it a try. And I say, why not? It's easy to get started - just head over to LeoVegas, make an account (if you haven't already), and start spinning those reels!

And let me tell you, LeoVegas is the perfect place to play Age of the Gods: Mighty Midas. They've got a fantastic selection of games, including slots, table games, and live casino games. And don't worry, they're all guaranteed to be safe and secure.

So what are you waiting for? Embrace your inner god or goddess and get spinning! Who knows, you might just hit that jackpot and become a modern-day Midas.

As you know, the game is developed by the company and is available on the mobile app. It's a free-to-play game, so you can play it for as long as you want. And the best part is that you can play it for as little as 0.40 credits per spin!
