in 2024 by Scott Cawthon. In this game, you play as a child who must survive five nights in their bedroom, while being stalked by animatronic characters from a nearby pizza place. The game is known for its jump scares and intense atmosphere, which has made it a favorite among horror game fans.

Gameplay moment in the Cold War campaign where you're invited to attend a meeting with the CIA. The game's mature content ensures kids and tweens are out, and if your teens are sensitive to violence or the concept of the paranormal, then it's not for them either.

Supernatural TV Review | Common Sense Media

Supernatural is immediately compelling because of its leading duo and their topsy-turvy, strangely relatable, predictably unpredictable relationship. The pairing is Supernatural's engine, but what kept that engine running for another fourteen seasons is how Sam and Dean evolve as naturally as genuine brothers would.
