A former employee, who asked not to be named, said

there was a lack of financial oversight that led to sig

nificant holes on the company's balance sheet. One of the biggest problems w

as that Celsius had a synthetic short, which occurs when a company's assets

and liabilities don't correspond.

And, Celsius did not hold

a \$750 million insurance policy for deposits. The company also lacked, until mid

-2024, any system to track its assets and liabilities, according to the complain

t. The FTC says that Celsius and its top executives also failed to d

eliver the returns they promised on consumers' cryptocurrency.
