<p>Why is my withdrawal blocked? The most likely reason for your Withdrawal

<p>is to be blocked.

<p>Due to the fact that you may not be able to verify your account.

<p>That's because today's online banking platform, support split-second fund transfers

<p>and is updating frequently. We suggest that you check the

<p>game every day and don't miss any updates.

<p>And new levels are available.
