Poki? There are no Poki games here! Why? One of the tasks of our site is to p

rovide you with access to high-quality games that can compete with Poki gam

es. All games present in our catalog are free. There are more than 300 them

atic categories on our site. The section of 1001 games designed for tablets and

smartphones, which also work on desktops, is also growing rapidly. We have

collected for you a vast number of games, including all the most famous gam

e series that are updated daily, which are not available on the original Poki we

From Flash to HTML5 available without Poki games

Since people have always enjoyed unwinding and having fun, they ha

ve created numerous devices or simply exploited resources that were available to

them. That is how things familiar to us were created: balls, skittles be

fore that they were just stones and sticks. But now we have all these techn

ology and devises, thanks to which the gaming component of everyday life has inc

reased many times.

Since modern browsers have stopped supporting Flash technology sin

ce 2024, games based on this system are gradually leaving web pages. However, th

ere are still some of the most popular toys that work in browsers using spe

cial emulators. HTML5 technology significantly expands the possibilities fo
