<p>Gameplay</p>

<p>In FNAF 4, you play from a first-person perspective and must use various tools to protect yourself from the animatronics. Your primary tool is a flashlight, which you can use to keep track of the animatronics' movements. You can also close doors and windows to keep them out, but these actions consume your limited supply of power. The animatronics move around your bedroom and can attack you from any angle, so you must use your senses and quick reflexes to survive.</p>

<p>How to Play</p>

<p>To play FNAF 4, you will need to use the arrow keys or W, A, S, and D keys to move around. You can use the space bar to shine your flashlight and the mouse to interact with objects. The game is split into five nights, with each night becoming progressively harder. You must survive until 6:00 AM to complete each night.</p>
